

# Pirate Telescope Craft

## Materials:

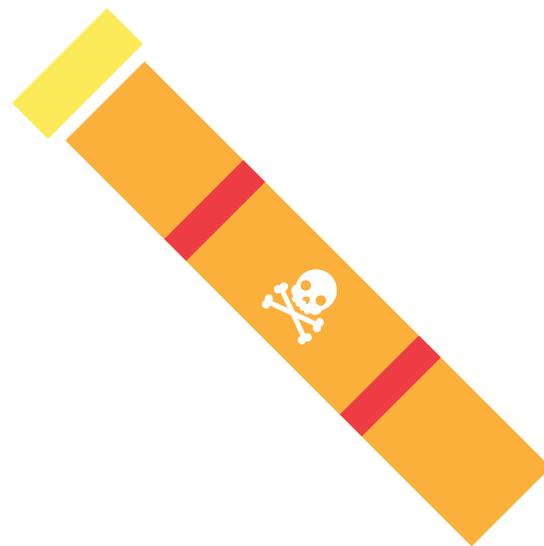

Paper tube (paper towel or gift wrap)

Construction paper

Scotch tape

Stickers and markers for decorating

Optional: Plastic wrap

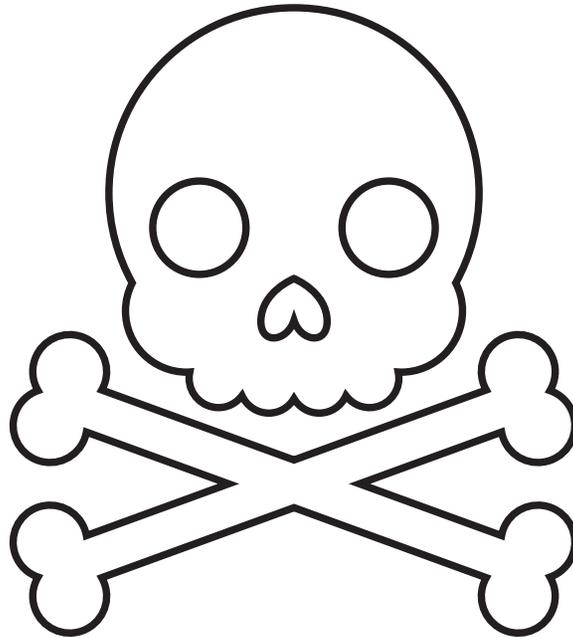

## Instructions:

1. Optional: Take a small square of plastic wrap and cover one end of the paper tube. Secure the plastic wrap with tape. This is the glass lens for your telescope. Don't worry if it is not neat because you will be covering the edges of the plastic wrap in the next step.
2. Cover the outside of your paper tube with construction paper. Add a narrow strip of yellow around the end that has the glass (plastic wrap).
3. Decorate your telescope with stickers and markers.
4. Embark on a Quest for Coins!
